Thank you.

As I indicated during our call, we've received a FOIA request for documents including Taconic's response to EPA's April 2016 Information Request. As a courtesy, please confirm that the document referenced in response to Question 1f and identified as TAC EPA 04625-04729 of EPA's Information Request does not contain confidential business information. The document is titled *Results of a Confidential Study for the Presence of Ammonium Perfluorooctanoate in Air at a Manufacturing Facility*.

For your convenience, I am attaching a copy of the response provided by Whiteman, Osterman & Hanna. I am not attaching the referenced documents.

Thank you
